Quarters for Cartons

In Africa, village women collect eggs to take to market. By the time they get there, many of the eggs are broken and unsellable. This is an invaluable source of income for their families. For just one quarter, you can purchase an egg carton that will be sent to these families and help them get more eggs to market. **PLUS, your donation will be matched!** Each quarter you donate essentially sends two egg cartons to Africa.

Please, spare some change and help make a difference.
